Ramona,

Per your request, I am providing the following information NRMRL has developed in planning for the prospective case study(ies):

1. Draft Prospective Case Study: Status and Needs List
2. Draft Prospective Case Study Design Outline
3. Draft Timeline to Initiate Prospective Case Study Field Work
4. Draft Access Agreement between U.S. Environmental Protection Agency, U.S. Department of Energy's National Energy Technology Lab and Property Owner, Range Resources-Appalachia, LLC
5. Prospective Case Study: Draft Research Site Criteria Analysis
6. Prospective Case Study: Draft Quality Assurance Project Plan (for Southwestern Pennsylvania)
7. Prospective Case Study: Draft Options Document

These are internal, draft deliberative documents being used for planning purposes.

We are in the process of developing a more detailed project management strategy/plan to provide additional information to inform our timelines and can provide it to you next week.

Let me know if you would like to discuss.

Cindy
